Subject: Open Call for Photo Contest

Dear valued members,

As part of the 8th UCLG ASPAC Congress, we are pleased to launch the Photo Contest. This competition aims to promote the event as well as a way to raise awareness of the COVID-19's responses and recovery. It is expected that the photo competition would capture the image of recovery efforts from the COVID-19 pandemic. The event will open for the public, and it is arranged that the participants are to submit their photos virtually/online.

On this occasion, we would like to invite all members to join the Photo Contest in which the winners will be announced during the 8th UCLG ASPAC Congress, which will take place virtually from 7 to 9 September 2021. We also appreciate the support of members to promote the Photo Contest on your website, newsletter, and share with your network as well as encourage the public to join the Photo Contest.

For more information, please see the attached guideline book and publication materials for your reference and kind action. Please feel free to contact the staff in charge, Rendy Primrizqi at resilience.project1@uclg-aspac.org (copied to member.services@uclg-aspac.org) should you have any queries.
